Accompanying Statement to Annual CPNI Compliance Certification for:

Huntleigh Technology Group, Inc.

In compliance with 47 C.F.R. § 64.2009(e), I, Ross Dahman, acting on behalf of Huntleigh Technology Group, Inc., certify the Company has taken the following actions:

Employee Training and Discipline

- Trained all employees and personnel as to when they are and are not authorized to use CPNI.
- Instituted an express disciplinary process for unauthorized use of CPNI.

Sales and Marketing Campaign Approval

- Guaranteed that management approves all sales and marketing campaigns.

Record-Keeping Requirements

- Established a system to maintain a record of all sales and marketing campaigns that use theft customers' CPNI, including marketing campaigns of affiliates and independent contractors.
- Ensured that these records include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as a part of the campaign.
- Made certain that these records are maintained for a minimum of one (1) year.

Establishment of a Supervisory Review Process

- Established a supervisory review process for all outbound marketing situations.
- Certified that under this review process, all sales personnel obtain supervisor approval of any proposed outbound marketing request for customer approval.
- Guaranteed that the Company only discloses CPNI to agents, affiliates, joint venture partners, independent contractors or to any other third parties only after receiving "opt in" approval from a customer.
- Verified that the Company enters into confidential agreements with joint venture partners, independent contractors or any other third party when releasing CPNI.

Opt Out Mechanism Failure

- Established a protocol through which the Company will provide the FCC with written notice within five (5) business days of any instance where opt out mechanisms do not work properly, to such a degree that consumers' inability to opt out is more than an anomaly.

Compliance Certificates

- Executed a statement, signed by an officer, certifying that he or she has personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the FCC's CPNI regulations.
- Executed a statement detailing how operating procedures ensure compliance with CPNI regulations.
- Executed a summary of all customer complaints received in the past year concerning unauthorized release of CPNI.

Customer Authentication Methods

- Instituted customer authentication methods to ensure adequate protection of customers' CPNI. These protections only allow CPNI disclosure in accordance with the following methods:
 - Disclosure of CPNI information in response to a customer providing a pre established password;
 - Disclosure of requested CPNI to the customer's address or phone number of record; and
 - Access to CPNI if a customer presents a valid photo ID at the carrier's retail location.

Customer Notification of CPNI Changes

- Established a system under which a customer is notified of any change to CPNI. This system, at minimum, notifies a customer of CPNI access in the following circumstances:
 - password modification,
 - a response to a carrier-designed back up means of authentication,
 - online account changes, or
 - address of record change or creation.

Notification to Law Enforcement and Customers of Unauthorized Access

- Established a protocol under which the appropriate Law Enforcement Agency ('LEA') is notified of any unauthorized access to a customer's CPNI.
- Ensured that all records of any discovered CPNI breaches are kept for a minimum of two (2) years.
